Piped gas in Government colonies

3017. SHRI HARISH RAWAT: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether the CPWD has any role in the installation of the piped gas in Government colonies in Delhi;

(b) if so, the details in this regard;

(c) Government colonies where the piped gas line is provided with the approval of CPWD;

(d) the areas proposed to be covered by Government for supplying gas through pipes in the current year;

(e) the reasons for not connecting the areas like INA colony in New Delhi; and

(f) if so, the details thereof and the action taken by Government in this regard?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI AJAY MAKEN): (a) to (f) Yes, Sir. Central Public Works Department (CPWD) processes the estimates in respect of General Pool Residential Accommodation (GPRA) and after obtaining sanction of the Government pays the necessary amount to Indraprastha Gas Limited (IGL) for providing natural gas connections. The details of Government Colonies where the piped gas supply has been provided and areas proposed to be covered in Delhi are shown in Statement-I and Statement-II respectively. (*See* below)

No colony by the name of INA Colony is being maintained by CPWD. There are some houses belonging to Rajya Sabha Pool and Central Excise Department located in INA which are being maintained by CPWD. Arrangements for supply of piped natural gas in these quarters are to be made by the concerned authority.

Statement I

Publicity Campaign for JNNURM by Private Media

3018. SHRI MAHENDRA MOHAN: Will the Minister of URBAN DEVELOPMENT be pleased to state:

(a) whether Government having failed to make a big impact after launching the Jawaharlal Nehru National Urban Renewal Mission eight months back, have decided to take the help of a private PR firm for the publicity of the country's largest ever infrastructure improvement plan;

(b) if so, the details thereof, including the estimated expenditure involved and its present status; and

(c) the detailed reasons and justification for appointing a private media agency when there already exists an elaborate Government machinery to handle publicity under the Ministry of I & B?

THE MINISTER OF STATE IN THE MINISTRY OF URBAN DEVELOPMENT (SHRI AJAY MAKEN): (a) to (c) The Jawaharlal Nehru National Urban Renewal Mission (JNNURM) was launched on 3.12.2005. In the balance period of the financial year 2005-06 *i.e.* upto 31.3.2006, 23 projects costing Rs.367.33 crore were approved and an amount of Rs. 90.10 crore was released. Upto 22.8.2006, 63 projects costing Rs.2559.92 crore have been approved. Amount of Rs.205.22 crore has been released. 15 workshops have been held since the launch of the mission for capacity building. Therefore, it is incorrect to say that the mission has failed.

Since community participation is the bedrock of the mission, a communication agencies needed to communicate with the community and enlist their participation for success of the mission. All community-based programmes require proper two way communication between the
